### About This Game

Do you have what it takes to become President of the United States? Can you win the Two Seventy (270) Electoral Votes needed for victory in the US Election?

In this strategic race for power, Two Seventy (270) Electoral Votes are required to claim victory in the US Election.

During the US Election, each state holds a different campaign cost and number of Electoral Votes to be won, so you must use strategic thinking to plot your way to the needed Two Seventy (270).

There are many strategic elements to consider in this US Election. You'll have to target Geographic Groups, as well as Special Interest Groups, if your campaign is to be successful in accumulating Two Seventy (270) Electoral Votes.

So battle it out on the road to the White House by running against political opponents in key states, winning over interest groups and accumulating Electoral Votes to become President!
